Additional Incidents and Information

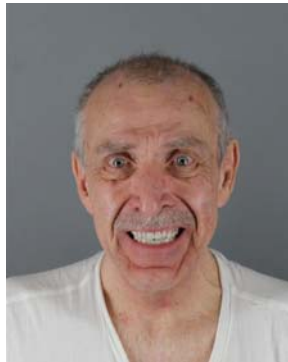

Fleeing and Eluding Suspect Arrested

The Royal Oak Police Department arrested a suspect who resisted arrest and fled from a traffic stop on Main St. and Twelve Mile. Officers stopped the suspect vehicle on April 9, 2015, at approximately 3:21 p.m., for a malfunctioning brake light. After providing the officers with his operator's license, the suspect was found to have a suspended license and warrant for his arrest. When the officers asked the suspect to exit his vehicle, he locked the vehicle doors, and refused to get out. The suspect sped away a high rate of speed while the officers were still attempting to open the door of his vehicle, causing one of the officers to be pulled with the vehicle as it took off.

Officers called off the brief pursuit due the reckless manner in which the suspect was driving and the officers still having possession of the suspect's identification. Officers in neighboring departments were alerted to the incident and the suspect was later located by the Clawson Police Department at his home in Clawson. The suspect was taken into custody without incident and turned over to Royal Oak officers.

The suspect, 64-year-old, George Joseph Duberg, faces charges for Fleeing & Eluding a Police Officer – 3rd degree, which carries a prison term of up to 5 years, Resisting & Obstructing a Police Officer, which carries a prison term of up to 2 years, and Driving While License Suspended, which carries a jail term of up to 93 days.

Duberg was arraigned on April 10, 2015 in front of the Honorable Magistrate Donald Chisholm where bond was set at \$10,000 cash. His next court appearance is scheduled for Friday, April 17, 2015 before the presiding Judge. Duberg does not have a criminal history.

Molotov Cocktail Incident

On April 12, 2015, at approximately 10:20 a.m., officers were called to investigate a subject acting bizarre and approaching customers at the Dunkin Donuts located at the intersection of Fourteen Mile and Crooks. Officers arrived and observed the subject's erratic behavior while he was standing in the parking lot of the business.

As officers approached for further investigation, they saw several open bottles of fuel additives with napkins fashioned as a wick sticking out from the tops, around the suspect's feet. Officers also located lighters sitting next to the bottles. The subject would not answer basic questions and was speaking in a manner which lead officers to believe he was suffering from an unknown mental condition. The subject was transported to the hospital for an involuntary commitment.

This case is currently under investigation and anyone with additional information is asked to contact Sergeant Keith Spencer at 248-246-3528.
